

# **NEW Dual Language Spanish Immersion/Two-Way Program Parent Information Meeting**

Join us virtually to learn about the new Dual Language program that will be starting at Deretchin K-6 Campus for the 2021-2022 school year!

This meeting will be for parents of incoming Kindergarten students who wish for their child to be in the Dual Language Spanish Immersion Program.

This is an amazing opportunity to provide a bilingual education to our Spanish speaking and English speaking children!

## **Dual Language Immersion/Two-Way Programs**

are based on the premise that two groups of students (each with different home languages, in the United States one being English) learn together in a systematic way so that both groups become bilingual and biliterate in the two languages.

**Do not miss this incredible opportunity!**

### **Some benefits of Dual Language Spanish Immersion/Two-Way Programs:**

- Students develop full oral, reading and writing proficiency in two languages
- Students achieve at levels that are similar to or higher than those of their peers enrolled in other programs on standardized tests of reading and math in English
- Students are able to read and write at grade level in another language
- Students in DUAL LANGUAGE programs develop very positive attitudes about students of other language and cultural backgrounds, and positive attitudes toward themselves as learners
